## Victory Ride 30-Mile Route and Elevation Gain\*

**10:00 a.m. Start Time:** The 30-mile route features forested riding, modest inclines and beautiful, old neighborhoods. We'll begin in the heart of NC State University's Centennial Campus. We'll head west through the campus toward Umstead State Park, where we will track north in a slow steady incline along a shaded, tree-lined route. Turning back toward the east, we'll ride through the old, secluded neighborhoods and slightly undulating hills along the northern and eastern edges of Raleigh before heading back into campus for a post-ride celebration including food, drinks and music.

\*Routes are not yet final and are subject to change.
