Victory Ride 60-Mile Route and Elevation Gain*

The 60-mile route takes us along the beautiful by-ways of greater Raleigh, starting in the heart of NC State University's Centennial Campus. We'll head west through the campus toward Umstead State Park, where we'll track north in a slow, steady incline along a tree-lined route. From there, we will travel farther north to the gorgeous Falls Lake State Recreation Area, where we will enjoy miles and miles of uninterrupted peddling featuring the best of North Carolina's scenic beauty. In the home stretch, we'll ride through the old, secluded neighborhoods and slightly undulating hills along the northern and eastern edges of Raleigh before heading back into campus for a post-ride celebration including food, drinks and music.

*Routes are not yet final and are subject to change; route distances may vary.
